

BACKGROUND

QB is an international company focused on providing consulting services to people who intends to move their business to another city. QB is well-known to always use the top trend technologies like machine learning, Blockchain and quantum computing in order to bring better solutions for their clients.

BUSINESS PROBLEM

Recently, Michael Rain has asked for QB services. Michael Rain wants to move his warehouse for groceries from downtown Toronto to a neighbourhood in Scarborough. He want to keep their lifestyle and have the most near groceries as posible.

DATA

- Geo locational information about the neighbourhoods in Scarborough
- Foursquare information on venue categories, top tips, location data, ratings, etc.

This information will be used to create some clusters and find the one who satisfies the requirements of the client. https://en.wikipedia.org/wiki/List_of_postal_codes_of_Canada:_M
